

## Welcome

**Welcome to the fifth issue of the ROADMAP newsletter!**

This fifth newsletter provides you with updates on the project's current progress, insights into the importance of real-world evidence from a regulatory perspective as well as an outline on the workshop of our Health Economics team held with Europe's leading experts. In addition to this, it also gives you a glimpse of the amazing collaboration that we established throughout the public and private sector. Together we are determined to bring forward our combined efforts towards improved healthcare for people affected by Alzheimer's disease in Europe and beyond.

Enjoy the read!
